

## How does the Super Bowl Pool work and how do I participate?

This year there are many ways to purchase squares. It's easy!

1. If you want to pay online for your squares go to our website:  
<https://marincursillo.com/fundraisers/>

2. Send a check to and please write you email on the check:

MARIN CURSILLO COMMUNITY  
BOX 4101,  
SAN RAFAEL, CA 94913.

### Prizes are as follows

First quarter winner	\$ 300
Halftime winner	\$ 300
Third quarter winner	\$ 300
Final score winner	\$ 600

Each square is \$30. There are 100 squares on each grid. 10 rows and 10 columns. Rows represent the NFC team's score and columns the AFC team's score. After the grid is completed, each row will be randomly assigned a number from 0 to 9 as well as each column randomly assigned a number 0 to 9. This will result in every square on the grid having a unique score for the game. If your score matches the score at the end of a quarter, half, or the game, you win. Remember, you must match both the AFC and NFC score. Also, you only need to match the final digit of the score, so if you have "0". Your scores include 10, 20, 30, etc. You are never out of the game as any and all combinations are very possible, especially later in the game.

Since column and row numbers will not have been selected until all of the squares are sold, there is no advantage to any blank square on the Grid but if you have a “lucky” location on the grid, let us know and we will do our best to accommodate.

The Grid numbers will then be selected at a team meeting in late January, depending on how long it takes us to fill up our grids. At that time, we will complete the grids with names and scores and let each of you know your scores for the Big Game. This will be emailed to you if you have given us your email address. If not, it will be listed on our website.

## How will I know if I have won

You will have your numbers before the game so you can enjoy the game. We will call you during or after the game to notify you of your winnings. A grid with all of the numbers will also be available on our website. A check will be sent to you with your winnings after the game.
